Helping Preserve Ukraine's Cultural Heritage

As one of the world's leading providers of digitization solutions, it is our mission to facilitate the preservation of our collective heritage around the world and promote increased accessibility to heritage assets and awareness of the power of digital history repositories. We use the most advanced imaging technologies and training programs available to help organizations create enduring digital facsimiles.

The Morgan Library & Museum: A Longstanding Partnership With Digital Transitions

The Morgan Library & Museum is an awe-inspiring feat of cultural heritage conservation and architecture in the heart of New York City. It was built between 1902 and 1906 as the personal library of financier, collector, and cultural benefactor Pierpont Morgan, housing Morgan's collection of rare books, manuscripts, and objects from some of the world's greatest thinkers, writers, and creators. It has since grown into a major cultural institution.

Branding from Legends to Legacy: Digitization of Sports Heritage

For sports teams and organizations, brands are built on the shoulders of legendary individuals. Coaches “Curly” Lambeau and Vince Lombardi helped the Green Bay Packers soar to new heights and athletes like Muhammad Ali, Michael Jordan, and Babe Ruth redefined their sports and transcended the arena to become cultural icons.
